Together, We Preserve Our Legacy

Community Support & Legacy Project

The Black Nurses Association of Greater Washington, DC Area, Inc. (BNA-GWDCA) invites community members, small businesses, sororities, fraternities, alumni groups, and individuals to join us in celebrating and sustaining our mission through the **46th Annual Salute to the Black Nurse of the Year & Scholarship Awards Luncheon** on **Saturday, March 7, 2026**.

For nearly fifty years, BNA-GWDCA has served as a vital voice for health equity, professional development, and community care. Our members have provided free health screenings, education, and mentorship to families across the region—while supporting nursing students through scholarships and advocacy.

Community Sponsor – \$250

Your support helps preserve this legacy while keeping the Salute accessible to the entire community.

As a **Community Sponsor**, you will receive:

- **1 ticket** to the 46th Annual Salute Luncheon
- **Name or organization listed (text only)** in the souvenir program booklet under Community Sponsors
- **Acknowledgment** on the BNA-GWDCA website event page
- **Recognition** in a grouped social-media thank-you post

Your contribution directly supports our scholarship fund, community health initiatives, and our continuing efforts to celebrate and elevate Black nurses throughout the Greater Washington, DC Area.

The Legacy Project

In honor of nearly five decades of service, BNA-GWDCA is launching the Legacy Project — an initiative to preserve and document the remarkable contributions of Black nurses who have shaped our communities. This project will capture stories, interviews, and archival materials to ensure that our history of leadership, advocacy, and compassion is never forgotten.

Community support ensures our story is never lost — and that the next generation of nurses is inspired by the legacy of those who came before them.
